Dear Sir:

I, Paul G. Yock, am the sole inventor and am owner of all right, title and interest in and to the above-identified application and U.S. Patent No. 5,061,273. While I have granted certain licenses to third parties with respect to the above application and patent, I still retain all ownership therein and as a result there are no documents to review with respect to ownership. I hereby certify that the title to the above-identified application remains with me.

GROUP 330

I hereby disclaim the terminal portion of any patent which is granted on the above-identified application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 5,061,273.

It is hereby agreed that any patent granted on the above-identified application shall be enforceable only for and during such period that the legal title to any patent granted on the above-identified application shall be the same as the legal title to U.S. Patent 5,061,273. This agreement shall run with any patent granted on the above-identified application and shall be binding upon the grantor, its successors or assigns.

No disclaimer is hereby made on any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent 5,061,273 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321 (a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Dear Sir:

I, Paul G. Yock, am the sole inventor and am owner of all right, title and interest in and to the above-identified application and U.S. Patent No. 5,061,273. While I have granted certain licenses to third parties with respect to the above application and patent, I still retain all ownership therein and as a result there are no documents to review with respect to ownership. I hereby certify that the title to the above-identified application remains with me.

I hereby disclaim the terminal portion of claims 24 and 25 in the above-identified application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 5,040,583.

It is hereby agreed that any patent granted on the above-identified application shall be enforceable only for and during such period that the legal title to any patent granted on the above-identified application shall be the same as the legal title to U.S. Patent 5,040,583. This agreement shall run with any patent granted on the above-identified application and shall be binding upon the grantor, its successors or assigns.

No disclaimer is hereby made on any terminal part of any other claim of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent 5,061,273 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321 (a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
